

Riddles and word games!

Here are a range of fun games to play alone or with your friends and family!
Some of the riddles are pretty hard, can you work them out? No cheating!

The answers are on the last page, have fun!

Game Number 1

Figure out the phrases!

Do you use short hand when you are sending a text or even a secret message to a friend?
See if you can figure out what these phrases mean!

- 1 5 f on a h
- 2 4 l on a c
- 3 7 d in a w
- 4 12 m in a y
- 5 101 d in a f

Game Number 2

Perplexing Palindromes

A palindrome is a word or phrase that reads the same backwards or forwards. Can you find the palindrome from the clues?

- 1 A watery word that is only a palindrome when you turn it upside down and read it backwards.
- 2 You could have two pals who have palindrome names, a boy and a girl. What are their names?
- 3 Do you like to perform in a group or are you happier singing
---- ?
Can you fill in the performing palindrome?

 *Game number 3*

Unravel these riddles!

Some riddles are so tricky you can't work them out. Can you unravel these three?

- 1 What can you find going round and round the wood, but never ever goes into the wood?
- 2 What has many holes, but still holds water?
- 3 What happens once in a year, twice in a week, but never ever in a day?

Try making up some of your own and test your friends!

Are you off on a long car or train journey, maybe you are even getting on a plane!

Why not print these out and test your family?

You could even make up your own riddles!
